COVID-19 Notice

Pursuant to the relevant amended provisions put in place to encourage Alabama businesses to re-open by Governor K. Ivy through the Alabama Emergency Management Act on May 8, 2020, Community Action Northwest Alabama will provide program services with reasonable attempts to comply with all applicable public health guidance in protecting clients and staff from the spread of the COVID-19 virus and any mutations thereof. These protections may include but are not limited to the use of gloves, masks, hand sanitizers, social distancing, virtual appointments and the denial or delay of service when life threatening. This serves as your copy. Please keep with any important papers.
